HR HireReach

Selecting the right candidate for a job is one of the most important decisions an organization makes.

HireReach provides **practical training and tools** to help organizations make those critical decisions.

"Hiring quality is better than ever, and multiple efficiencies for both recruiters and hiring managers are in place. This enables us to be more intentional about our methods to attract and retain a diverse workforce."

- KATHY NATELBORG, Davenport University

Find better candidates and make smarter hiring decisions with a skills-based hiring process.

A skills-based approach to hiring assesses the whole person, not just their resume. Candidates are evaluated using a variety of tools including cognitive, personality, and career interest assessments. Together with education, work history, and other relevant data, you get a **better prediction of an candidate's ability to not just perform, but succeed.**

TRAINING + **SELECTION TOOLS** + **PEER LEARNING** + **CONSULTING SUPPORT**

HireReach provides a five-month virtual academy that gives organizations the tools and support to develop and implement a process proven to **reduce first-year turnover, reduce time to fill and increase the size and diversity of their talent pool.**
