BE PART OF A MOVEMENT, NOT JUST A MARKETPLACE

MiCareerCompass goes beyond simply matching job seekers with employers — it's a **comprehensive workforce development ecosystem**. We collaborate with employers, education institutions, and community partners to create **sustainable talent pipelines** that strengthen businesses and empower individuals.

HOW WE'RE DIFFERENT

Connecting Community Partners

We collaborate with nonprofits and workforce agencies to **remove employment barriers**, offering jobseekers wraparound support like career coaching, childcare assistance, and transportation solutions to connect you to a **diverse range of qualified candidates**.

Maximizing Existing Investments

We leverage **federal, state, local, and philanthropic funding** to reduce training costs, making upskilling more affordable for jobseekers and employers.

Building Future-Ready Talent

We help **develop** candidates — not just provide them. Our platform guides individuals through personalized pathways that include **education, credentialing, mentorship, and long-term career planning**.
